1.4. Deaf Culture/ Associations for the Deaf

The first association for the deaf in the UK, the BDA British Deaf Association (BDA) was formed in Leeds as The British Deaf and Dumb Association (BDDA) on 24th July 1890. CRIDE Consortium for Research in Deaf Education in the UK sends out yearly survey results. The results of the survey are intended for heads of services, educational policy makers in local and central government and anyone with an interest in deaf education. There are currently 230 resource provisions for the Deaf and Hard of Hearing across the UK. UK Deaf Sport aims to enable Deaf people to reach their full potential in sport. They work in in partnerships with key organisations to create a sporting future that is DEAFinitely Inclusive from grassroots through to Elite level Sport.
